

Terms and Conditions

Superloop Super Launch Offer

The Offer

The Superloop Super Signup Offer (Offer) offers new residential fixed line NBN™ internet customers \$5 off their monthly internet service charges, subject to these terms and conditions.

TERMS AND CONDITIONS

This Offer is open until 31 March 2019. Superloop may withdraw the Offer at any time without notice. By applying for the Offer, you agree you are bound by Superloop's Standard Form of Agreement (SFOA) and these Terms and Conditions. Superloop may change these Terms and Conditions at any time in accordance with the SFOA.

Your application

To be eligible for this Offer, you must:

- be at least 18 years of age with a current Australian residential address; and
- be a new customer, sign up for a Standard Plus (nbn50) 500GB or Unlimited NBN Plans.

Superloop may accept or reject your application in its absolute discretion.

How the Offer works

This Offer provides a \$5 discount on the monthly plan fees available when you sign up and remain on either the Standard Plus (nbn50) 500GB or Unlimited NBN Plan. This is applied by Superloop at the time of signup and the monthly \$5 discount will automatically be deducted from your first invoice onwards.

All other charges, including, upgrades, additional data packs, or other internet services and all installation, and other charges for non-standard installation will continue to apply. This Offer may only be used once per customer and premises. The Offer is non-transferable, cannot be used with any other special offer or promotion and cannot be redeemed for cash.

This Offer is not available in all regions or for all service types and does not apply to NBN Sky Muster or Fixed Wireless services, or business services.

Plan changes & cancellations

If you change your plan from either the Standard Plus (nbn50) 500GB or Unlimited NBN Plans, then the \$5 discount will be removed from the service charges. The price of the internet service charge will return to the amount set out in our Critical Information Summary (CIS).
