MONTHLY DATA QUOTA	NBN SPEED TIER ²	TYPICAL EVENING DOWNLOAD SPEED ¹	NBN SPEED TIER MAX UPLOAD SPEED ¹	MINIMUM MONTHLY CHARGE	COST PER GB	TOTAL MINIMUM COST (1 MONTH)

UNLIMITED	HOME BASIC	22 Mbps	4-10 Mbps	\$59.95	-	\$59.95

¹Typical evening speeds are based on the download speed test results of existing customers between 7pm and 11pm and are subject to change. Actual download and upload speeds may be lower due to many factors including your network configuration, the location and type of content, the number of users simultaneously accessing the network, and the performance of third-party interconnection infrastructure that Superloop does not monitor or maintain. We will inform FTTB, FTTN and FTTC customers of their actual download speed once connected and you will have the option to downgrade to a lower speed plan without penalties. WIFI connected devices may have slower speeds than Ethernet connected devices.
